## SAILORS SETTLE LIBEL

The Will of William Taylor is Admitted to Probate—Mayor Considers the Question of Increase of Telephone Rates.

(Special to The Times-Dispatch.)  
NORFOLK, VA., July 21.—The sailors of the Chilian steamer Rancagua settled their libel of the vessel without realizing as much as they expected. Their claims aggregated \$330. The libel was for double that amount. But they got \$250, and after dividing that with the lawyers, they had a small sum to keep them at the sailors' boarding house till they can ship on another vessel. A few of them made contracts to return by the Rancagua to Valparaiso, but the majority of them are worse off than they were before they left the ship, no matter how bad that was. Added to that, they spent one night in the cells at the police station, with nothing but bread and cheese to eat the whole day. There were eighteen in all. The steamer sailed this evening.

**WILLIAM TAYLOR'S WILL.**  
The will of William Taylor, recently deceased, was admitted to probate today. Mrs. Elizabeth Beckover, daughter of the deceased, is appointed executrix, and the estate is valued at \$25,000. **IS THE LICENSE REVOKED?**

**MASS FOR THE POPE.**  
Solemn requiem high mass for the repose of the soul of Pope Leo XIII. is to be celebrated in the Holy Trinity Church in the diocese of Bishop Van de Vyver as it is to be in every Catholic Church in the world. The Rev. Father John Doherty, of St. Mary's, and Richard A. Drake, of Sacred Heart Chapel, are arranging to celebrate the mass at different times, so that the faithful may attend the service at both churches. The churches will be draped with black and the service on this occasion is to be the most solemn and awe-inspiring.

**NEW SEA TACK LIFE.**

## HOW TO FIND OUT.

Fill a bottle or common glass with your water and let it stand twenty-four hours; a sediment or settling indicates an unhealthy condition of the kidneys. If it stains the linen it is evidence of kidney trouble. The kidneys desire to pass it, or pain in the back is also convincing proof that the kidneys and bladder are out of order.

**WHAT TO DO.**  
There is no secret in the knowledge so often expressed that Dr. Kilmer's Swamp-Root, the great kidney and bladder remedy, fulfills every wish in curing rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. It corrects inability to hold water and scalding pain in passing it, or had effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to get up often during the day, and to get up many times during the night. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists in fifty-cent and one-dollar sizes.

**DISCRIMINATING LADIES.**  
Enjoy Using Herpelide on Account of Its Distinctiveness.  
The ladies who have used Newbro's Herpelide speak of it in the highest terms, for its quick effect in cleansing the complexion and also for its excellence as a general hair-dressing. It makes the scalp feel fresh and it causes that itching which dandruff will cause. Newbro's Herpelide effectively cures dandruff, as it destroys the germ that causes it. The same germ causes hair to fall out, and later baldness; in killing it, Herpelide stops falling hair and prevents baldness. It is also an ideal hair-charm to the hair that is quite distinctive. Sold by leading druggists. Send 10c in stamps for sample to The Herpelide Co., Detroit, Mich. Agents and Minor Drug Co., Special Agent.
